

## And Beyond...

Beyond our residential and cleaning services, our company offers garden design, yard care, and painting projects.

These services are customized to meet our client's individual design and decor.

- Perennial Gardens Maintained:  
planting, mulching, weeding, edging
- Cottage Garden Designs:  
informal design using traditional & vintage materials
- Painting Projects:  
indoor walls/trim, outdoor furniture, fences, gates, doors, shutters & trim
- Staging:  
simple effective tips to create the perfect ambiance when selling your home

Imagine arriving home and walking up the front path amidst a mixture of flowering perennials you open the front door and are greeted to a clean home and the rich scents of your garden with "Seasonal Offering" our very own air freshener made with essential oils such as sage, lavender, and lemongrass.

Each customer receives a complimentary bottle of air scent. Leave it on the kitchen counter and we will refill it at our next scheduled appointment. If we design your garden we will plant a free herb from our signature air scent.

## Who We Are...

Wall 2 Wall and Beyond LLC is a locally owned and operated company serving the greater Grand Rapids area. We offer professional home cleaning and garden service.

Our company operates under the belief that providing quality service, trustworthy employees and building relationships with our clients will make all of our lives bigger and better.

“Wall 2 Wall and Beyond did an OUTSTANDING job on my home. We hired them for the “deep cleaning” and deep it was; Kristin and Gigi labored all day to rid my home of 10 years of dust, grime and buildup. When they were finished I felt like I had moved into a new place. Seriously, these girls are good. They are thorough, careful, professional and friendly. Excellent work!

Thank you!”  
John V.
